Participations will be issued against payment of the Subscription Amount to be increased with an Subscription Charge of 0.5%. The number of Participations to be issued will be calculated by dividing the Subscription Amount by the Net Asset Value per Participation as per the end of the Valuation Date immediately prior to the relevant Dealing Date. Fractions of Participations may be issued up to four decimal positions.

Payment of the Subscription Amount must be made such that it is received in EUR in the account of the Fund that is held in the name of the Depository with the Financial Service Provider specified below at least two Business Days prior to the relevant Dealing Date. The amount must be transferred from a bank established in a member state as mentioned in the Dutch Prevention of money laundering and terrorist financing Act (*Wet ter voorkoming van witwassen en financieren van terrorisme*) from an account number in the name of the Participant(s).

The application will for example be rejected if:

- I the Subscription Form or the payment of the Subscription Amount in respect thereof, is not timely received;

- III the application is made in violation of the client identification and anti-money laundering requirements pursuant to the Dutch Prevention of money laundering and terrorist financing Act (*Wet ter voorkoming van witwassen en financieren van terrorisme*);
- IV the technical means to accept Subscriptions are temporarily unavailable as a result of a technical breakdown; and
- V circumstances have arisen which make it practically impossible for the Fund to honor all the Subscriptions immediately because from an administrative point of view it is impossible to process the requests in an orderly manner.

When an application for Subscription is rejected, it shall be considered as having no (further) force and effect and the Subscription Amount paid in respect thereof will be returned without interest as soon as practicably possible.
